Honorable Sam Nunn, Chairman
Committee on Armed Services
United States Senate
Washington, D. C. 20510

Dear Mr. Chairman:

The Director has asked me to respond to your 19 September 1988 letter regarding the Committee's security procedure handbook.

Over the years, this Agency has worked closely with your Committee staff on security matters. As you are aware, we have strict rules on the handling and storage of classified material and we have always found your staff most cooperative in following these rules. When your security procedures were written, a copy was sent to us and our Office of Security reviewed them and endorsed them.

We appreciate your deep interest in these matters and we will continue to work closely with your staff.

Sincerely yours,

John L. Helgerson
Director of Congressional Affairs
